

Purchase Conditions

1. Order duly signed and issued by TVS Motor alone will be accepted
2. Acceptance of the order must be sent by return of email/post confirming the date of delivery and the price accepted by us
3. No charges towards packing, boxing or crating will be accepted by TVS Motor unless agreed to with reference to the particular order itself
4. Unless otherwise agreed to, all goods are to be supplied on "freight paid" basis to the Company's Factory or any branch or depot thereof or to such other place as may be directed by the Company.
5. Description, quantity, weight and mode of transport of goods must be quoted in the Invoice and advice notes and a duplicate copy must accompany the goods. Each case must be separately identified and contents of each case must be indicated separately in the Delivery Note.
6. The right is reserved by TVS Motor to cancel this order or any part of the order, if delivery is not made within the time, quantity and quality specified in which case TVS Motor may purchase elsewhere goods as similar to those of the supplier as possible debiting the supplier with the extra cost if any, however this option to purchase elsewhere will not normally be exercised unless the TVS Motor's work is likely to be affected.
7. Goods delivered in excess of the quantities ordered & scheduled by TVS Motor will not be accepted and all charges in respect of the same will be at the risk and responsibility of the supplier.
8. In the event of or any production of TVS Motor's work being interfered with or stopped by any strike, lockout, fire, failure in delivery or supplies (whether by the supplier or third party) force majeure or as a consequence of war or outbreak of civil commotion or other circumstances beyond the control of TVS Motor, the TVS Motor may suspend the order or amend the delivery dates to such extent as it considers necessary without incurring any liability.
9. All materials and goods shall in every respect be equal to description, specification, and to previous approved supplies (if any) and shall be subject to TVS Motor's inspection and approval within a reasonable time after delivery and if rejected shall be held at the suppliers risk and returnable at the expense of the Supplier and shall not count as having been delivered unless TVS Motor elects to make the materials and goods fit for its purposes in which case the supplier shall be debited with the cost of such improvement.
10. For Sub-Contract items produced out of our materials, no scrap allowance is permissible, unless specified in the order. If the amount of material scrap exceeds the limit indicated in the order TVS Motor will charge the supplier for the materials and labour costs for the excess rejected.
11. Should the supplier quote or give better terms to any person, firm or Company for materials and goods of similar quality and quantity TVS Motor is to have the option to purchase on the same terms and benefit of any such reduction is to be retrospective to the date of the lower quotation or the first supply at lower price which-ever is earlier.
12. The supplier hereby covenants that he shall not sell the products which are patented by TVS Motor to any third party except to TVS Motor and that any enquiry made to the supplier will be referred to TVS Motor either for the products or for parts or replacement. The supplier further undertakes not to manufacture quantities supplementary to our order for the purpose of sale.
13. The supplier guarantees that the sale or use of his products will not infringe any Indian or foreign trade mark, trade name or registered design and undertakes to indemnify and keep purchaser indemnified against all acts, judgements, decrees, costs, claims, demands and expenses resulting from an actual or alleged infringement or undertakes at his own expense to defend or assist in the defense of any suit or action that may be brought in this connection.
14. Duly accredited representatives of TVS Motor shall be allowed to inspect materials ordered at any stage of manufacture.
15. Where this order constitutes a sub-contract for a Government Department, it is made subject to Government contract condition in force from time to time is made subject to Government rules, regulations of instructions applying to sub-contracts and in particulars to a right of determination to the purchaser corresponding to the Government Department's right of determination.
16. The suppliers on no account should disclose any manufacturing information or part with blue prints of drawing which may be furnished to them to any third party without the written consent of TVS Motor

17. The supplier shall be solely responsible for contravention of clause 12/13 or 16 and he shall be bound to indemnify the Company against all the loss, expense incurred or to be incurred by the Company or damages if any made liable by such action that will be in contravention (if any) of the agreement with the foreign collaborator without prejudice to such other remedies as the Company may deem fit in the circumstances including the cancellation of the order or orders.
18. The supplier shall indemnify the Company for all claims damages and expenses made and established against or incurred by the Company on account of:
 - (i) Any actual or alleged infringement of monopoly rights resulting from any sale or use of the goods otherwise than in breach of any restriction imposed on and accepted by the Company.
 - (ii) Any injury (whether to person or property) or loss sustained by any person in connection with the fulfillment of the order as a result of any defect in the goods.
19. The material supplied against this order must be strictly in accordance with the details given in the order and/or in the drawings furnished and shall satisfy the governmental regulations on safety and environment at the time of supply of the goods pursuant.
20. The material used by the Supplier for the manufacture must conform to the chemical composition of the specification and be capable of giving the required mechanical properties.
21. All parts that have been treated (i.e. hardened and tempered parts other than those submitted to a case hardening process) shall be tested on a suitable hardness testing machine to ensure that they conform to the requirements of the specification.
22. Case hardened parts. Test be made to ensure that the case depths produced shall conform to the requirements of drawing or order. The hardness of the cases, shall be checked by a suitable means in order to confirm that it conforms to the hardness specified.
23. The material must conform to the dimensional requirements and finish called for on the order of drawing.
24. TVS Motor reserves the right to reject and return at the supplier's expense all material which do not conform to the inspection instruction mentioned in clauses 19 to 23.
25. No legal proceeding shall be taken to enforce any claim and no suit arising out of contract shall be taken to enforce any claim and no suit arising out of contract shall be instituted except in a court of competent jurisdiction located within the municipal limits of Chennai, and in no other Court
26. Parts should not be manufactured as per or similar to Company's samples, design, drawing specification, etc., and sold to others without our written consent.
27. Suppliers can raise invoice at rates higher than those ordered if only a valid amendment is issued by TVS Motor accepting such higher rates.
28. Guarantee: Guarantee for defects/Quantity discrepancy which might not have been noted at the time of supply and where detected later, free replacement supply must be effected by the concerned Vendor.
29. The invoice should contain particulars of Order No., Delivery Note No., Number of Packages / Boxes, weight, Dispatch details etc.,
30. "All the workmen who carry out the contract jobs inside the premises of TVS Motor factory should be covered under the Employees State Insurance Act 1948 and Employees Provident Fund and Miscellaneous Provisions Act 1952 and that contributions are to be remitted to the authorities in time.

The supplier indemnifies **M/s. TVS Motor Company Limited** against all claims, damages, liabilities made on the establishment or incurred by the company on account of non-compliance of provisions of any of the applicable governmental laws, regulations and rules.
31. It is the responsibility of the vendor to issue proper tax invoice / documents which are in compliance with the applicable Indirect tax legislation (including GST) from timing as well as content perspective and also to enable TVS to fill in the details as required in the returns prescribed under necessary legislation including GST.
32. The HSN/ SAC of the Goods/ Services and Place of Supply should also be finalized at the time of issuance of P.O. to avoid any reconciliation while issuing the Invoice for such Supply.
33. The rate of taxes / duties as applicable shall be at the rate as amended from time to time by Government of India specified against the respective HSN mentioned in the Purchase Order.
34. In case any credit is not received or short credit is received or in case of any error because of which no credit is received then such equivalent amount is not liable to be paid by TVS. Where, however the amount has already been paid by TVS the same is liable to be recoverable or adjustable against subsequent payments
35. In case the total amount of credit is in excess of output liability (on account of reduction in price), then such excess amount should be reimbursed by the vendor. In case the same is not reimbursed by the vendor, then such amount will be deducted from any subsequent payments.
36. TVS reserves the right to adjust any recovery to be made by it for loss suffered due to failure on part of the vendor by adjusting it or withholding it from any amount deposited with TVS or any other amount payable by TVS to the vendor (present or future).
